ANNOUCEMENT

Reference is made to the Tariff issued by the National Health Insurance Council effective since February 01st 2017,

Rwanda Social Security Board would like to inform its Medical Partners on the related Instructions and modalities established for the reimbursement of the above mentioned Tariff with effect by May 01st, 2017

The reimbursement will continue as the same for the category of General Clinic while the above level will be subject to a system of referral.

RSSB will reimburse 85% of the services according to the Instructions and modalities based on the System of referral.

Done in Kigali, April 18, 2017

GATERA S. Jonathan
Director General
