CALL FOR APPLICATION

The Management of Rwanda Social Security Board would like to inform qualified Private Health Service Providers that a Call for application for partnership with the Medical Scheme will be opened from 1st until 21st July 2020 at 5 pm.

This call aims at promoting improved service delivery, better accessibility and availability of quality health services to RSSB Medical Scheme members across the country, through partnership with the Private Sector. A particular focus will be put on geographical areas with a limited number of Providers as well as specialized areas of health services, thus enhancing development/investment in Health services activities.

For this purpose, the call for new application is limited to the following areas and categories:

#	Health facility category	Eastern Province	Northern Province	Western Province	Southern Province	City of Kigali
1	Pharmacies	✓	✓	✓	✓	X
2	General Clinic	✓	✓	✓	✓	X
