Call for Application

The Management of Rwanda Social Security Board would like to inform qualified Private Health Service providers that a call for application for partnership with the Medical scheme is open to qualified applicants from **January 05th 2021 at 7 a.m. until January 25th 2021 at 5p.m.**

By this call, the management of RSSB would like to promote and advocate on behalf of its members for an equitable accessibility and availability to quality health services across the Country through partnership with Private Health Service providers in areas with low coverage thus promoting the development & investment in healthcare.

For this purpose, the call for application for partnership is **open** to all categories of health facilities (workshops, general and specialized clinics, polyclinics and hospitals) across the country; as well as addition of new services for medical partners already in partnership.

However, regarding **pharmacies**, this call is open to applicants from other provinces but **strictly limited** to the sectors of the City of Kigali where they are absent in the following areas:

#	PROVINCE	DISTRICT	SECTOR
1	Northern	All	All
2	Western	All	All
3	Eastern	All	All
4	Southern	All	All
5	Kigali City	Nyarugenge	Kigali

**Our Health
Our Future**

All applicants are required to submit all documents ... at RSSB headquarters or electronic copies to info@rssb.rw. Further clarification concerning criteria for eligibility and required documents are available at RSSB Website: www.rssb.rw or for any queries contact us at info@rssb.rw.

Any incomplete file, any file submitted beyond the above-mentioned deadline or any application outside the concerned areas will not be considered.

NB: RSSB wishes to let you know that it has launched an IT modernization project that will be implemented by the next financial Year, in a bid to digitize all its processes and improve efficiency and service delivery. This modernization will see the partnership application, approval process, invoicing, reconciliation and payments be more efficient.

Done in Kigali, January 05th 2021

Regis RUGEMANSHURO
Director General
