## ANNOUNCEMENT

### **Request for Proposal of Diagnostic Imaging Services by Private Healthcare Facilities in Rwanda.**

Imaging services are integral and key disease diagnostic tool in the Rwanda health system. However, there is currently limited access to these services across the country especially in rural areas.

The Management of the Rwanda Social Security Board (RSSB) is determined to make these services easily accessible especially to its Community Based Health Insurance (CBHI) patients. Towards this end, **private imaging service providers** are invited to submit competitive pricing as per the services listed in the attached request for proposal document.

Your proposals will help the RSSB Management to establish fair market prices for various diagnostic imaging services as well as identify and contract diagnostic imaging service providers with favourable terms.

Note that, all applications must be submitted to the RSSB latest by **February 24<sup>th</sup>, 2023**.

Kindly, submit your proposals **electronically** by email to **[imaging@rssb.rw](mailto:imaging@rssb.rw)**

For further clarifications, do not hesitate to contact Florence MUZIGANYI by email [florence.muziganyi@rssb.rw](mailto:florence.muziganyi@rssb.rw) or telephone +250 788 585 977.

Yours Sincerely,

**Regis RUGEMANSHURO**  
Chief Executive Officer
